GUYANA ENERGY AGENCY ACT

An Act to make provision for the establishment of the Guyana Energy Agency and for specifying its functions and for matters connected therewith.

[31 of 1997]

[24TH OCTOBER, 1997]

PART I

PRELIMINARY

Short title.

1. This Act may be cited as the Guyana Energy Agency Act.

LAWS OF GUYANA

Guyana Energy Agency

Cap. 56:05

5

2. In this Act—

Interpretation.

“Agency” means the Guyana Energy Agency established by section 3;

“Board” means the Energy Agency Board established by section 18;

“Chief Executive Officer” means the Chief Executive Officer of the Agency;

“energy” includes power and fuel;

“member” means a member of the Agency and includes the Chief Executive Officer;

“plant” means fixtures, implements or machinery used in any industrial process;

“power” includes hydro-power, thermal power and power generated from every other source;

“source of energy” means every source from which energy is generated or brought into existence and includes material or process used for generation or bringing into existence of energy;

PART II

GUYANA ENERGY AGENCY

3. (1) There is hereby established a body corporate to be known as the Guyana Energy Agency.

Establishment
and
Constitution of
Guyana
Energy
Agency.

(2) The Agency shall consist of—

(a) a Chief Executive Officer;

L.R.O. 3/1998

LAWS OF GUYANA

6

Cap. 56:05

Guyana Energy Agency

- (b) a Deputy Chief Executive Officer;
- (c) such heads of divisions of the Agency, not exceeding five, as may be designated by the Minister.

Term of office
of members
and their
remuneration
and other
terms and
conditions of
appointment.

4. (1) The Chief Executive Officer and Deputy Chief Executive Officer shall be full time officers of the Agency and shall be appointed by the Minister, and their remuneration and other terms and conditions of appointment shall be such as may be determined by the Minister.

(2) The heads of divisions of the Agency designated as members thereof (hereinafter referred to as “designated members”) shall hold office for such period, not exceeding three years, as may be specified by the Minister.

(3) Notwithstanding anything in subsection (2), the Minister may terminate the appointment of any designated member of the Agency for failure or inability to discharge the functions of his office or for misconduct or in the public interest.

(4) The appointment of any designated member shall not be terminated under subsection (3) unless a reasonable opportunity of being heard has been given to such member.

(5) A designated member may at any time resign by written notice to that effect to the Minister.

(6) A designated member, not being a member whose appointment was terminated under subsection (3) for misconduct, shall be eligible for re-appointment if found suitable, notwithstanding the expiry of his term of appointment or that his appointment was terminated on an earlier occasion.

(7) A designated member shall be paid such allowances as may be determined by the Minister and, subject to the provisions of this section, the other terms and conditions of his appointment, shall be such as may be determined by the Minister.

5. (1) It shall be the function of the Agency to advise and to make recommendations to the Minister regarding any measures necessary to secure the efficient management of energy and the source of energy in the public interest and to develop and encourage the development and utilisation of sources of energy other than sources presently in use.

Functions of
Agency

(2) Without prejudice to the generality of the provisions of subsection (1), the Agency shall—

(a) upon the request of the Minister, develop a national energy policy and secure its implementation, either by direct involvement or through other persons;

(b) carry out research into—

(i) all sources of energy including those sources presently used in Guyana for the generation of energy, and

(ii) securing more efficient utilisation of energy and sources of energy;

(c) monitor the performance of the energy sector in Guyana, including the production, importation, distribution and utilisation of petroleum and petroleum products;

(d) disseminate information relating to energy management, including energy conservation and the development and utilisation of alternative sources of energy;

(e) perform other functions that are conferred on it by this Act or functions relating to energy management assigned to it by the Minister.

(3) In the discharge of its functions under this Act, the Agency may establish pilot projects or, with the approval of the Minister, establish commercial enterprises, including companies, either by itself or in association with any other person or persons, and for that purpose raise capital in the same manner as any commercial enterprise.

6. (1) The Agency shall study and keep under review matters relating to the exploration for, production, recovery, processing, transmission, transportation, distribution, sale, purchase, exchange and disposal of energy and sources of energy within and outside

Advisory
functions of
Agency.

LAWS OF GUYANA

8

Cap. 56:05

Guyana Energy Agency

Guyana, shall report thereon to the Minister and shall recommend to the Minister such measures as it considers necessary or in the public interest for the control, supervision, conservation, use, marketing and development of energy and sources of energy.

(2) The Agency shall, at the request of the Minister, prepare studies and reports on any matter relating to energy or any source of energy, including research into alternative sources of energy, or the application of such research, and shall recommend to the Minister the making of such arrangements as it considers desirable for co-operation with government or other agencies in or outside Guyana in respect of matters relating to energy and sources of energy.

c 57:01

(3) The Agency shall, at the request of the Minister assigned authority for administration of the Electricity Sector Reform Act, tender any advice needed by him or required under that Act in the discharge of his functions.

(4) In the discharge of its functions under this section, the Agency shall, wherever appropriate, utilise agencies of the Government to obtain technical, economic and statistical advice.

Exercise of
functions
under Hydro-
Electricity
Power Act.
c. 56:03

7. (1) The functions conferred on the President and on the Minister by the Hydro-Electric Power Act shall be exercised by the Agency and the provisions of that Act relating to the functions of the President and the Minister shall be read and construed and have effect as if references therein to the President or Minister were references to the Agency.

(2) The functions conferred on the Chief Works Officer and the Engineer by the Hydro-Electric Power Act and any regulations made thereunder shall, notwithstanding anything in any other written law, be exercised by the Chief Executive Officer or such officer of the Agency as may be specified by the Chief Executive Officer, and the provisions of that Act relating to the functions of the Chief Works Officer and the Engineer shall be read and construed and have effect accordingly.

8. (1) Subject to subsection (2), the Agency, with the approval of the Minister, may, for the purpose of formulating and implementing measures calculated to improve the situation in Guyana with regard to energy and sources of energy, make rules for all or any of the following—

Power of Agency to make rules.

(a) regulating or prohibiting the production, supply, acquisition or use of energy or sources of energy;

(b) prescribing technical efficiency standards of plant, equipment, appliances and vehicles that consume or produce energy;

(c) prohibiting or restricting the import, manufacture or use of plant, equipment, appliances and vehicles that do not comply with prescribed technical efficiency standards in respect of energy consumption or production, or use a type of fuel which, in the opinion of the Agency, is inappropriate in the context of energy conservation or the utilisation of alternative sources of energy;

(d) prescribing technical standards, procedures and guidelines for the storage, production, processing and distribution of energy or sources of energy or for technical persons employed therein;

(e) prescribing incentives, financial or otherwise, for the development and utilisation of alternative sources of energy, including the conversion to an alternative source of energy of plant, equipment, appliances, vehicles or other energy-consuming machinery or for the modification thereof, or for building for the purpose of reducing energy consumption;

(f) generally for carrying out the purposes and provisions of this Act.

(2) For the removal of doubt it is hereby declared that the rule-making authority of the Agency under subsection (1) does not extend to making rules for the administration of the Electricity Sector Reform Act or the Public Utilities Commission Act.

c. 57:01

LAWS OF GUYANA

10

Cap. 56:05

Guyana Energy Agency

(3) Rules made under this section are subject to negative resolution of the National Assembly.

Instructions by
Minister.

9. The Minister, after consultation with the Agency, may issue instructions to any person in respect of energy and any matter connected therewith and any person to whom any such instruction is issued shall comply with the instruction within a reasonable time specified by the Minister.

Power to
compel
information
and
preservation of
secrecy.

10. (1) The Agency may request any producer, importer, distributor, processor, or any consumer of energy or any source of energy to provide any information in respect of his or its production, importation, distribution, processing or consumption of that energy or source of energy that the Agency considers necessary for the performance of its functions, and the person to whom such request is made shall comply with the request within a reasonable time to be specified by the Agency.

(2) Except for the purpose of the discharge of his functions or when lawfully required to do so by any court or under the provisions of any law, a member or officer or other employee of the Agency shall not disclose any information which he has acquired in the course of the discharge of his functions.

(3) Any person who fails or neglects to provide any information when lawfully required to do so under subsection (1) or contravenes the provisions of subsection (2) shall be liable on summary conviction to a fine of one hundred thousand dollars and to imprisonment for one year.

Committees of
Agency.

11. (1) The Agency may appoint committees consisting of its members, or its members and other persons, and delegate to any such committee any of its functions.

(2) Without prejudice to the provisions of subsection (1), the Agency may appoint a committee consisting of its members, or its members and other persons, to report to the Agency, or advise it, on any matter specified by the Agency.

LAWS OF GUYANA

(3) The remuneration payable to the members of committees appointed by the Agency and other terms and conditions of their appointment shall be such as may be determined by the Agency with the approval of the Minister.

12. (1) The Chief Executive Officer shall be responsible for implementing the decisions of the Agency.

Chief Executive Officer.

(2) Without prejudice to the provisions of subsection (1), and subject to the general policy decisions of the Agency, the Chief Executive Officer shall be responsible for the management of the Agency, including the organisation and discipline of the staff in accordance with the general terms and conditions of service established by the Agency with the approval of the Minister.

(3) If the Chief Executive Officer is absent or is unable to act or if the office is vacant, the Deputy Chief Executive Officer shall have, and discharge, the functions of the Chief Executive Officer.

13. (1) The Agency may, with the approval of the Minister, employ at such remuneration and on such other terms and conditions as it thinks fit, a Secretary, heads of divisions and such other officers and employees as the Agency may require.

Employment of staff of Agency.

(2) The Agency may delegate to the Chief Executive Officer the power conferred on it by subsection (1) in respect of any class of employees, subject to such terms and conditions, if any, specified by it.

14. The Agency may, at any time, retain the services of experts and other professional persons (including consultants) having specialised knowledge relevant to the Agency's functions; and may pay such persons such remuneration in respect thereof as the Agency, with the approval of the Minister, may determine.

Employment of experts.

15. (1) The Agency shall meet at such times as may be necessary or expedient for the transaction of its business, and the meetings shall be held at such places and times and on such days as the Agency may determine.

Meetings and procedure of Agency.

LAWS OF GUYANA

12

Cap. 56:05

Guyana Energy Agency

(2) One-third of all the members of the Agency shall constitute the quorum for any of the meetings of the Agency.

(3) The Minister may make regulations to prescribe the procedure of the Agency and, subject to the provisions of this Act and such regulations, the Agency may regulate its own procedure and may make rules for that purpose.

Fees for services.

16. The Agency may charge and recover fees for any services rendered by it, including the conduct of any study or the granting of any permission.

Funds and resources of Agency.

17. (1) The funds and resources of the Agency shall consist of—

(a) sums paid to, or recovered by, the Agency under any provisions of this Act;

(b) income earned by the Agency from any of its operations, commercial or otherwise;

(c) sums provided to the Agency by or under any appropriation law;

(d) sums allocated, from time to time, to the Agency from loan funds;

(e) sums received by way of grant, gift or bequest from any person or agency;

(f) any property or investment acquired by, or vested in, the Agency;

(g) moneys earned or arising from any property or investment acquired by, or vested in, the Agency;

(h) sums borrowed by the Agency for the purpose of meeting any of its obligations or the performance of any of its functions; and

(i) all other sums or property which may in any manner become payable to or vested in the Agency in respect of any matter pertaining to or incidental to its functions.

(2) The Agency may, with the approval of the Minister, borrow sums required by it for meeting any of its obligations or performing any of its functions, and such approval may be either general or limited to a particular borrowing, and may be either unconditional or subject to such terms and conditions as may be specified by the Minister.

(3) The charges on any amount which may be allocated to the Agency from loan funds shall be met by the Agency, except that all or any part of such charges may be met out of moneys provided by or under any appropriation law.

(4) For the purposes of this section, the expression “loan funds” means such sums as may be made available from time to time to the Government by way of loan.

PART III

ENERGY AGENCY BOARD

18. (1) There is hereby established a body to be known as the Energy Agency Board.
